induction cooking workshop

Datum

To all residents of Haammakerstraat 2-96

FREE COOKING

Dear resident,

We realize that the work in and around your home has caused quite a bit of nuisance in recent times. Our apologies for this. We would like to thank you very much for your cooperation during this work, whereby we have made your home natural gas-free and you will therefore be cooking on your new induction cooker.

We would like to thank you in a special way for your cooperation!

Well-stocked bag with fresh ingredients

We would like to surprise you on **Tuesday April 26** with a well-stocked bag full of fresh ingredients and an accompanying recipe. In this bag you will also find a link to the online cooking workshop

Cooking with Wonen Limburg

In this film you will receive explanations and useful tips about induction cooking and you will step-by-step cook a vegetarian sweet potato soup for yourself, your family or friends.

Do you cook with us?

You can register by filling in the enclosed registration form. Place one copy in the appropriate letterbox in your entrance hall **before Thursday April 14**. The other copy is for yourself.

Photo?

Send us a nice photo while cooking or at the dining table? Then we will place it on our Wonen Limburg Facebook page. Via post@wonenlimburg.nl we would like to receive your original photo for the attention of Jessica Vossen, communication department, stating your name and address details.
